

Rep. Waxman and Senator Barbara Boxer ask Army Secretary Thomas White whether the Enron stock he divested more than 90 days after his appointment was held in an illiquid private equity fund, as he has previously stated, and if it was not, than to explain why he waited more than 90 days to divest these holdings. Rep. Waxman and Senator Boxer also ask Secretary White about news accounts that Enron Energy Services (EES) set up a fake trading floor to mislead visiting analysts while Secretary White was EES vice chairman. **Documents and Links**
